Location

The Arc's Therapy and Play
Center
241 Genesee Street
Utica, NY 13501

Time

Monday - Friday
After School

Reading Program will provide one hour of one-on-one tutoring for students experiencing reading difficulty.

The sessions will provide instruction in the areas of phonemic awareness, the alphabetic principle (phonics), decoding, and reading. Activities will also be incorporated into each session to encourage reading, writing, listening, and speaking for response to literature and for social communication.

Math Program will provide one hour of one-on-one tutoring for students experiencing math difficulty.

The sessions will provide instruction and activities designed around the individual student in order to support accuracy and fluency of basic facts, key concepts, operations, problem-solving concepts, content knowledge, and skill integration.

Program for After School Learning is designed to provide remediation and extra practice on educational skills being learned. 30 minutes–one hour of individual support will be offered for assistance with homework, organizational skills and confidence in the learning process.

Program for children 8-18 years of age who are OMRDD eligible.

**Provided by certified teachers.
Application process required.**
