AGE.NET Now at The Arc's Arnold Avenue Location

Utica, NY –

Officials from The Arc, Oneida-Lewis Chapter, NYSARC, The Office for Aging and Continuing Care, and VIZIONefx, LLC unveiled the first Age.Net site serving primarily people with developmental disabilities in the Mohawk Valley on Thursday, December 15, 2011. The ribbon cutting ceremony was held at The Arc's Arnold Avenue site, 4 Arnold Avenue, Utica.

Arnold Avenue is one of six sites across two counties that currently have this system to help the senior population gain valuable health-related education and information.

Age.Net is a senior health and wellness digital delivery system through the Oneida County Office for Aging and Continuing Care and created by the company VIZIONefx, LLC.

"In a time when it's an extremely sparse time for resources...so it really connects us across the net through the technology," said Dr. Kathleen Bishop, Consultant on Aging for the Arc Oneida-Lewis Chapter and Oneida County Office for Aging and Continuing Care. "It's an exciting moment."

The network provides senior outreach information, health related information, a calendar of events and streaming news about The Arc and local community.

For more information, please call 272-1532.

The Arc, Oneida-Lewis Chapter, NYSARC is a non-profit human services agency which provides advocacy and services for individuals with intellectual and developmental disabilities in Oneida and Lewis counties.

Pictured are: Gail Miskowiec, Vice President of Operations at The Arc, Oneida-Lewis Chapter, NYSARC; Dr. Kathy Bishop, Consultant for The Arc and Oneida County Office for Aging and Continuing Care; Matt Oswalt, Founder/President of VIZIONefx, LLC; Jessica McCraw, Director of Sales and Operations at VIZIONefx, LLC; Mike Romano, Director at Office for Aging and Continuing Care.
