

What we do at The Arc, your heart will understand.

The Arc provides a full spectrum of educational, vocational, employment, residential, family support, service coordination, guardianship, respite care, day habilitation and children's services to people with developmental disabilities and their families in Oneida and Lewis counties.

Each day is a challenge for the individuals we serve. With your help, we make each day easier through programs and services that enable people from birth to adulthood to live richer, fuller lives within our community.

As the benefactor of The Arc, the Friends of the Arc Foundation is comprised of community leaders committed to supporting our organization and individuals. The Foundation will direct your contribution to ensure that The Arc's Community and Family programs and services continue to be available to those who need and deserve them, including:

After School Connections	Sensory Swim
Early Intervention (0-3 yrs old)	Teen Time
Related Services (3-5 yrs old)	Therapy Services
Kids' Camp	StageWorks
Lecture Series	Respite
Reading, Math & After School Learning	Guardianship
Saturday Friends & Saturday Night Friends	Habilitation

Your tax deductible gift will help us help others in our community. If you have contributed in the past, I thank you and ask that you please consider continuing your support. During this season of giving there is no better time to join The Arc in striving to enrich the lives of individuals with intellectual and developmental disabilities.

Sincerely,

Karen Korotzer, CEO
