The Arc's Frederick R. Illg  
Day Hab Center  
9081 River Road,  
Marcy, NY

## Time

Monday - Friday  
3:30 - 5:30 p.m.

**After School Connections** provides after school care that is fun, safe, and supportive for children with a variety of disabilities. Children with Developmental Disabilities, including, Autism Spectrum Disorders (ASD) face unique challenges with social interactions. The **After School Connections** program is a social skills building group with strong staff support designed to promote children's development of appropriate play skills. By participating in the play-based group, children will be introduced to and practice skills including: conversation skills, age-appropriate play skills, emotions, attending skills, waiting skills, coping with change, anger management and turn-taking.

A child must be Medicaid- waiver eligible to participate in the After School Connections program. The program is designed for children ages 5-12. Limited transportation is provided from school to the program for children in the Whitesboro School District. Families are responsible to provide transportation from the program home.

For more information, contact Noelle Arcuri, Children's Educational Coordinator at 315.272.1604 or email [narcuri@thearcolc.org](mailto:narcuri@thearcolc.org).
