

Need a speaker for your meeting?

The Arc's *Speakers' Bureau* is a free service to area community organizations, clubs and schools.

Our group of professionals, board members, self-advocates and family members are willing and qualified to speak on a variety of topics which include, but are not limited to, an overview of The Arc's programs and services, specific programs or services, personal experiences, volunteer opportunities and fundraising for non-profits.

We will tailor a presentation to suit your organization's audience, interest and time constraints.
