The
Arc
FOUNDATION

Running with a Purpose!

Melinda Schink

**Congratulations to
Charity Bib Runner
Melinda Schink who
will be running for
Brady Fagan!**

Brady is a nine year old boy with an Autism diagnosis. Brady attends the award winning Saturday Friends program at The Arc, Oneida Lewis. This program is designed to give families time away from their duties as caregivers, while their children enjoy supported recreation time supervised by trained staff. Brady is able to have social interaction with his peers and by doing so is developing

communication skills. Brady is a fun loving child that loves to play outdoors. His favorite television show is the wiggles and pizza is his meal of choice. Brady's older brother Riley is running the Boilermaker 5k race this year, his brother a big part of his motivation. Melinda is ready to run for him too.

Donate to Melinda Schink and her mission to raise money for The Friends of the Arc Foundation. Supporting Melinda helps us continue to provide great programs and services to the over 1,600 people The Arc supports in Oneida and Lewis Counties. Follow the link below, or contact her directly.

**HELP MELINDA REACH HER GOAL:
