

PLEASE HELP US ***Raise the Roof!***

The Arc, Oneida-Lewis is hosting a capital campaign to purchase a new roof at our Progress Industries building on Forest Ave. in Lowville. Our roof isn't equipped to handle many more north country winters, and repairs are no longer an option. Costs to replace a roof on a structure that size is significant, especially for a non-profit organization such as ours.

WHY SUPPORT THE ARC?

Progress Industries provides employment opportunities and an inclusive working environment for people with developmental disabilities through contracted work with local and national companies. Helping us helps keep people in our community working in a safe, familiar surroundings.

WE'RE ON OUR WAY.

The Cloudsplitter Foundation has generously committed a matching grant of \$25,000 in support of this project! That means we need to raise another \$25,000 in our community. We humbly ask for your help.

MANY HANDS MAKE LIGHT WORK.

The more people who give to this campaign, the more significant the impact will be! For example - a gift of \$25 or more adds up when everyone gets involved. Give what you can. No contribution is too small.

ONE COMMUNITY, ONE FAMILY, ONE HEART.

We're calling on our community to come together to help our own, as we have done so many times before. Every dollar raised through this campaign supports your friends, family, and neighbors here in Lewis County. This project will have us all talking proudly!
