Time

First & Third Saturdays
10:00 a.m. - 1:00 p.m.

Saturday Friends in the Afternoon is a socialization and supported play program designed to offer fun, safe and appropriate activities for children diagnosed with Autism Spectrum Disorder and other Developmental Disabilities, friendship and understanding for siblings and respite and support for parents. This program is offered on most first and third Saturdays of the month from 10:00 am until 1:00 pm.

Trained Arc staff and volunteers from local high schools and colleges focus on creating an atmosphere that encourages interaction and involvement. Activities and materials are planned around children's strengths and needs.

Siblings have the opportunity to meet and form friendships with other siblings. These children will gain a better understanding of the abilities of children with disabilities while they provide positive role models for play and communication.

A child must be Medicaid Waiver eligible to participate in the **Saturday Friends** program. The program is designed for children ages 11 to 14.

Reservations are required.
