

# PROGRAMS FOR CHILDREN

## READING, MATH, AND AFTER-SCHOOL LEARNING PROGRAM

Certified teachers provide one-to-one tutoring for students with developmental and other disabilities experiencing reading or math difficulties. The After-School Learning Program is designed to provide remediation, extra practice with skills being learned in the classroom, and assistance with homework.

## SATURDAY FRIENDS

Provides children ages 5-10 with developmental disabilities and their siblings with a safe, fun environment that encourages appropriate social interaction and friendship building. This program is designed to give families time away from their duties as caregivers while their children enjoy supported socialization supervised by trained staff. The program meets at the Riverside Day Habilitation building in Marcy from 9:00 am-12:00 pm on most 2nd and 4th Saturdays of every month.
