Our Story

A SWEET IDEA

Chef's Express began in 2008 as a program at The Arc, Oneida-Lewis for people interested in baking to develop and hone their skills. The delicious treats became the stuff of legend, and plans were formed to open a full-fledged bakeshop in the community.

OPENING DOORS

In December 2021, Chef's Express opened its doors to downtown Utica. The goal was to fold The Arc's mission into a community bakeshop for everyone in our community to savor. We provide an inclusive, hands-on learning and training environment for people with developmental disabilities, creating opportunities and incredible flavors for you to enjoy.

EMBRACING INCLUSION

Choosing Chef's Express means more than savoring mouthwatering soups, cupcakes, muffins, brownies, cookies, coffee, and cakes—you're empowering people with disabilities to showcase their talents and achieve equity in our community.

Welcome to Chef's Express,
where each flavor tells a story, and
every bite makes an impact.
